RESTORED VEHICLE ODOMETER CERTIFICATION
FOR EMISSION EXEMPTION

This form is only required for emissions exemption application on the registration of vehicles displaying Classic Vehicle, Classic Rod or Old Timer license plates in areas of Nevada that require emission tests. A current Vehicle Inspection Report (VIR) must accompany the original application. You must retain your original VIR. Original application must have the odometer reading verified by a DMV Emissions Lab Technician. Renewal application does not require verification of the odometer by DMV. If upon renewal, your vehicle exceeds the 2,500 miles allowed by NAC 445B.6125, you must submit a current emissions test.
