GOLF CART PERMIT APPLICATION
NRS 482.398, 482.210

A permit may be issued for a golf cart, in a county whose population is 400,000 or more, if it is equipped as required by law.

A golf cart permit authorizes the operation of a golf cart on highways properly designated by the appropriate city or county as permissible for the operation of golf carts. It is the responsibility of the golf cart owner to know what roads are designated as permissible for the operation of golf carts.

The owner of the golf cart must provide proof of liability insurance at the time of application.

A golf cart must be equipped with headlamps, tail lamps, reflectors, stop lamps, mirror, brakes and a slow-moving vehicle emblem or placard. Each of these items of equipment must meet the standards for motor vehicles.

An authorized Nevada DMV Representative must complete an inspection of the Golf Cart.

The fee for a Golf Cart Permit is $10.00 annually. The permit expires on December 31.

Decals are to be affixed to the left rear of the golf cart in a manner as to be visible from the rear of the vehicle.

Submit this application, proof of liability insurance and fee to a DMV Field Service Office or mail to the address above.
