APPLICATION FOR CIVIL AIR PATROL LICENSE PLATES

An owner of a private passenger vehicle or noncommercial truck who is a resident of Nevada and is a member of the Nevada Wing of the Civil Air Patrol is entitled to be issued one or two sets of special license plates indicating membership in this organization. The initial fee for these plates is \$35.00 plus \$1.00 Prison Industry fee. The total of \$36.00 is in addition to all other registration fees. There is an annual renewal fee of \$10.00.

Any member of the Nevada Wing of the Civil Air Patrol who retires or is honorably discharged may retain these license plates. If a member is dishonorably discharged, the license plates must be surrendered to the Department at least 10 days before his discharge.

If your vehicle is currently registered, State law requires that your vehicle be re-registered for twelve (12) months at the time you receive your Civil Air Patrol license plates. Credit for the unused portion of your current registration will be allowed. You must surrender your current license plates to the Department in order to transfer this credit. In applicable counties, if the previous evidence of compliance of emissions standards was obtained more than 90 days ago, the vehicle must be reinspected prior to registration
