

TRANSFER ON DEATH APPLICATION

NRS 482.247 and NAC 490.435

Transfer on Death allows vehicle owners to add or remove a beneficiary to their title. The vehicle owner must be an individual, not a business. A total of four vehicle owners, including beneficiary, can be listed on a certificate of title. A title fee, the certificate of title, and this application must be submitted to the Department of Motor Vehicles to make this change. A new Nevada certificate of title will be issued with the beneficiary’s name and the “Transfer on Death” designation.

A beneficiary cannot be added to the title when there is a lienholder or ownership is designated as “Tenants in Common.” The beneficiary does not have interest or control of the vehicle. If a lienholder or lessor is added to the title at a later time, the beneficiary will be removed from the title.

To transfer the ownership to the beneficiary, the beneficiary must submit the title (if available), title fee, and certified death certificate of the vehicle’s legal owner(s). If more than one owner is on the title, the beneficiary cannot become the vehicle owner until all owners are deceased.
